We're all thinking that's it's a bad battery, as that was the case the last two times it went out.

Thanks!

That sounds fine to me.

Do we know what the actual problem with the sign is?

Per our phone conversation YESCO has a hourly labor rate for technician and truck of \$85 an hour and we can get the repairs set up as time & materiel order with a not to exceed limit set at \$500. Please let me know if you would like to proceed with getting the repairs put on our schedule?

Respectfully,

**Subject:** Solar lighting for our sign needs repair

Justin, thanks for taking my call this afternoon.

The sign is a gateway type (image attached) and the lighting is not working. It's solar. It's located on Highland Ave. immediately north of Melrose Ave., in Hollywood 90038.
